

# **RVF THESES AND DEAL FLOW CRITERIA**

## **REBEL VENTURE FUND THESIS**

We are a venture capital group backed by the University of Nevada, Las Vegas. We invest in startups and entrepreneurs in Nevada and the greater Southwest region of the United States.

## **REBEL VENTURE FUND INITIATIVES**

- We work to develop the entrepreneurship and startup ecosystem in Las Vegas and the greater Nevada area in conjunction with our ecosystem and government partners in an effort to diversify the Nevada economy.
- We strive to provide high quality education, networking, real world investing experience and opportunities to our associates.
- We connect entrepreneurs and investors with industry professionals, potential advisors/mentors, qualified ecosystem resources and eligible candidates for hire.
- We seek to provide quality and actionable feedback to start-ups in order to enhance their business models, scalability and fundraising strategies.

## **RVF WILL PRIORITIZE COMPANIES:**

- In the Las Vegas area and/or the state of Nevada.
  - Priority to UNLV student and alumni companies.
  - Referrals from our Board and University Leadership.
- In the hospitality/hospitality technology, gaming industry, energy, healthcare innovation and logistics management.
- In the seed, angel, bridge and series A funding rounds.
- With a developed business plan and/or working prototype if product based and a complete pitch deck.
